

# XIII International Railway Business Forum

6-8 June 2018 | Pullman @ Mercure Sochi Center

## Programme Preview

# Programme Streams in 30 seconds

## Partnership

Classical topics and the bedrock of rail business. Discussions that seek win-win strategies in the interests of all stakeholders.

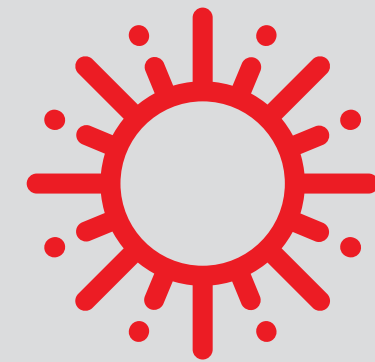

## Inspiration

Innovative practices that push through state-of-the-art services and build better communication with customers.

## Creativity

Ideas that fundamentally change the way we look at our work and our daily routine.

## Talents

Breakthrough ideas that motivate young people to deliver best results. To work as a team and to never cease growing as both a professional and a human being.
